To Whom it May Concern:

I am writing to recommend Henderson & Company, Inc. as an outstanding golf course construction contractor.

Several years ago the Bucknell Golf Club hired Mark Fine to create a master plan for our golf course. He recommended a church pew bunker on our third hole. This was to honor Mr. Emil Loeffler the original architect for Bucknell GC.

Chaz Henderson was hired for this project because of his familiarity with the church pew bunker at Oakmont Country Club in Pittsburg, PA. Henderson & Company did an outstanding job in the design and construction of our church pew bunker here at Bucknell GC. The project was completed in a timely manner and on budget.

I would recommend him without reservation for any project you are considering.

Sincerely,

Charles E. Lincicome, CGCS

Bucknell Golf Club Superintendent
